LANDCARE

get the quality advantage

Evergreen Landcare offers cost effective solutions for **LAWN & TURF** establishment.

Ideal for:

- ▶ Residential lawns
- ▶ Sports fields
- ▶ Golf course developments

We cultivate level and groom the seed bed, before hydroseeding with quality seed blends & slow release fertilisers.

Evergreen Landcare has 40 years turf establishment experience throughout New Zealand.

Full ongoing turf maintenance service.

Contact us today & get the quality advantage.
